

Chokachi's show will premiere next Friday at 8:30 p.m. ET.

To land even one TV series shot on a beach is a dream come true, but two? That's what happened to former *Baywatch* lifeguard **David Chokachi**, now starring in *Beyond the Break* for N network. Chokachi, 38, grew up swimming and sailing in Plymouth, Mass., but he learned to ride the waves during *Baywatch*. Now he's playing a pro surfer-turned-instructor, and it's a job that suits him well. He even spends lunch breaks in the waves. Chokachi, who was single during *Baywatch*, is married to events planner Susan Brubaker. When we ask about plans for kids, he tells us, "Everyone says the first step is to get a dog," which they did.
